re Devotions Strata Cleaning Services

Reference from the Owners' Corporation – SP 2413

Ross, the proprietor of "Devotions Strata Cleaning Services" has been engaged by the Owners at 2 Pearson Street, Balmain East for around 7 years. During this time he has delivered exceptional service in a pleasant and cooperative manner, always meeting our expectations and willing to go the extra mile.

Apart from the main task of ensuring the internal and external cleaning is completed to a high standard he provides help with many other concerns such as attending to any lighting or simple maintenance issues on request. This is always provided promptly.

We have no hesitation in recommending Ross and his team as professional providers of cleaning services. If you wish to speak with members of our executive please call Geoff Dunn (0413 117 900) or Jennifer McDonald.
